<p><b>1. BDI (Bee Disease Insurance) and Additional Colonies.</b> BDI (Bee Disease Insurance). BDI covers the insured for the statutory destruction of bees, honey and equipment for American or European Foul Brood. For BDI to be valid, all colonies owned by the beekeeper must be included on this form. You can add to this number later, but note that BDI is valid from the date of the Treasurer's receipt, <b>and BDI paid after 1 March comes into force only 40 days after the date of the Treasurer's receipt.</b> Details on the BDI certificate of insurance. Registered (full) KBKA Members are automatically insured for BDI for 3 colonies each. Ideally make allowance for any increase of colonies you may have during the season and make the extra payment for those colonies.</p>	Up to 2 more, total 5	£1.20

**2. BBKA membership.** By becoming a member of Kennet Beekeepers Association, all members (except for Associate members) automatically become a member of the British Beekeepers Association (BBKA).

**3. If you don't keep bees,** Country/Local memberships are your membership options. Any member of KBKA that keeps bees must be a *Registered* member of the KBKA or another BKA.

**4. Junior members** join for free; Kennet BKA will underwrite their subscription to the BBKA.

**5. Kennet Introduction to Beekeeping Course.** If you intend to take this and do NOT (yet) keep bees, you may join as a Local member for now and upgrade your membership in due course. As a Local member, however, you will not benefit from receiving BBKA NEWS, which is full of great advice for new beekeepers. You will need to upgrade your membership as soon as you plan to keep bees to ensure that you are covered by insurances. **BDI paid after 1 March comes into force only 40 days after the date of the Treasurer's receipt.**

**6. Schools members.** One person from the school (member of staff, caretaker etc) will be the main contact and their details, with the school address and a school email are entered onto the membership database in just the same way as a Registered member. The school is **not covered by the BBKA insurance.** Schools will already have Third Party Public Liability Insurance cover in place. If they are planning to keep bees on the school premises **they should notify their insurers.** Several schools that the BBKA is in contact with have already done this and we have not heard of any issues. As with all members of the BBKA, there is free access to Bees in the Curriculum on the BBKA website. This Key Stage 2 resource was written for the BBKA by beekeepers from the teaching profession and is useful to both teachers and also beekeepers giving talks at schools, Brownies and Cubs etc.

Wiltshire Beekeepers Association is a registered charity. It has four branches (Kennet BKA, Melksham BKA, Swindon BKA and West Wilts BKA) and is a member of the British Beekeepers Association. It represents and organises events and education for beekeepers in Wiltshire. Registered Charity Number 1198735.

**Data Privacy.** Kennet Beekeepers Association will use your data to administer your membership and to communicate information about events, training courses, assessments and exams. This information will be recorded in our membership database, which is stored in compliance with the GDPR and UK Data Protection Act. Your membership data is shared with the British Beekeepers Association (BBKA), Wiltshire County Association officers and the BDI. Your personal data is not passed on by us for use by any other third parties whether or not connected with beekeeping. See details at [www.kennet-beekeepers.co.uk/index.php/privacy-notice/](http://www.kennet-beekeepers.co.uk/index.php/privacy-notice/).
